Dear Parents

The school has been given the opportunity to take part in a project that will be run jointly between schools and West Midlands Police.

Operation Encompass is reporting to schools, prior to the start of the next school day, when a child or young person has been exposed to, or involved in, any domestic incident.

Operation Encompass will ensure that members of the school safeguarding team, myself, Mrs Grubham and Mrs Briscoe, are trained to allow them to liaise with the local authority and to use the information that has been shared, in confidence, while ensuring that the school is able to make provision for possible difficulties experienced by children, or their families, who have been involved in, or exposed to, a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved. If you require any further information regarding this project please do not hesitate to contact me.

Yours sincerely,

Mr Edward Masterson
